

"Thank you for your dedication and commitment to excellence...I am grateful for you!"

D. Weigel Principal
Yuma School District,
Yuma, Arizona

"We can't thank you enough for providing our kindergartener beginner piano lessons, and helping her to become a budding musician! Your promptness, thoroughness and attention to detail were essential in keeping the lessons focused and productive. In addition, the ease with which you related to our child and your non-critical temperament made the lessons engaging. Your teaching of both music theory and piano lessons have established a solid foundation on which our child will continue to build her musical skills. You clearly have extensive knowledge of music and passion for teaching, and we would highly recommend you for all levels of piano lessons."
