SEPTEMBER 2019

A Note from the Owners:

East Valley School of Music is coming up on its 13th anniversary as a music school and our 3rd year of being in our beautiful new building here in the heart of Chandler, Arizona. We are very grateful to be able to continue to grow our student base and offer more group classes and family-friendly events to the community. It is our passion to provide customized private lessons and group classes to help students reach their musical goals. It brings us great joy to see how music is shaping the lives of our students and helping them to be more confident and diligent. We are very excited about the 2019-2020 school year. Our calendar of events is full of amazing performance opportunities, holiday recitals, and several free community festivals that we are very excited to be hosting right here at EVSM! We are still accepting vendors/crafters for our annual “Bunny Boutique & Egg Hunt” on Saturday, April 4th, from 10:00-3:00. If you would like more information on becoming a vendor, please contact us directly. We will also be bringing back one of our most popular themed recitals, “Music from Around the World” this spring! Stay tuned for more information and how you can participate in this themed concert. We want to thank all our wonderful instructors, office staff, parents and students for making East Valley School of Music the Valley’s premier venue for music education.

Musically Yours,

Mike and Tabitha Kaminski

Later, Nina enrolled in the College of Science and pursued a bachelor's degree in biology. After immigrating to the United States, in 2010, Nina got the opportunity to study music at Mesa Community College and after finishing associate degree in music and both Elementary and Intermediate Piano Pedagogy Certificates, she continued her education at the ASU music program and in 2016 graduated with a Bachelor's of Art in music with the emphasis on piano.

NINA TAHBAZ

Nina's piano teaching experience goes back to 25 years ago when she started assisting her own piano teacher. After that excellent opportunity, she considered teaching more seriously and established her own piano studio which lasted for years. Nina is a member of East Valley Music Teacher Association (EVMTA), Arizona Music Teacher Association (ASMTA), and Music Teacher National Association (MTNA). Her students participate in the Arizona Study Program (ASP) annual exam to be evaluated every year and perform at different events. Nina also serves as Co-Chair for EVMTA Piano Competition.
