Work Experience:

Owner and main instructor through Shiloh Kay - piano instruction. Created lesson assignment sheets, payment schedules and custom lesson plans. Also organized over 30 private performances for her students. Coordinating schedules and make-up lessons as well as group lessons. Guided many students through ASP through ASU for over 5 years. Very knowledgeable in ASP both teacher and performer side which makes her extremely valuable for students interested in completing ASP for educational credit or simply to grow as a pianist. A few of her students have gone on to pursue musical degrees and even teach themselves! Has over 6 years of teaching experience from ages 4-adult. Specializes in teaching well-rounded pianists who excel in skills such as sight-reading, rhythm, theory comprehension, artistry, memorization and performance ability.
